

# His Love Can Be

Vivian Moore and Patricia W. Felker

His love can be  
    an ear when no one hears you  
    calling through the storm

His love can be  
    a touch when no one's there  
    to keep you safe and warm

His love can be  
    peace when you're afraid  
    when things go wrong

His love can be  
    a healing power  
    that makes you strong

His love can be  
    a knock when no one comes  
    to be your faithful friend

His love can be  
    the letter that you've read  
    time and time again

His love can be  
    courage to go on  
    day by day

His love can be  
    the strength that you receive  
    when you pray

His love can be  
a place to lay your head  
when you've no where to go

His love can be  
forgiveness that you need  
more than you can know

His love can be  
mercy when there's none  
when no one's left

His love can be  
all you ever need  
He loves you best

His love can be.....

His love can be.....

His love can be.....
