

Let Him Lead You

Words by Vivian Moore

If you let Him show the way
Imagine where you'd go
If you'd only listen
Think of all you'd know

When the Master of the Universe
Whispers in your ear
What wisdom you would hear
Let Him lead you....lead you

He guided Abraham
To a place where he became
The Father of Nations
Born to praise God's name

When the Master of the Universe
Whispers in your ear
What wisdom you would hear
Let Him lead you....lead you

He has cattle on a thousand hills
He owns the streams
All the fields,
He will reveal
Where He wants to lead you

When the Master of the Universe
Whispers in your ear
What wisdom you would hear
Let Him lead you....lead you
His love will light the way
Lead you, He'll lead you
He will be faithful forever
Lead you, let Him lead you
The Master of the Universe
Wants to lead you
