

# **My Favorite Time**

**Patricia W. Felker**

**Feel the North wind blow  
I think it's gonna snow  
Wrap those tiny hands in mittens  
Today we'll sled with no collisions**

**Bright and shiny lights  
The Christmas play's tonight  
Dress the kids in red and green  
then, let's go hear them sing,...sing!**

**Come along and see  
Our Source of jubilation.....**

**Chorus:  
It's my favorite time of year  
Carols ring with hope and cheer  
We'll remember Jesus' birth  
Celebrate His life  
It's my favorite, my favorite time  
Such a happy, joyful time of year!**

**Find that special gift  
For loved ones on your list  
Let them know, "I'm thinking of you,"  
Enough to say, "I love you!"**

**It's our chance to give  
A kiss to those we treasure  
(Chorus)**

*(sung straight, with no drums)*  
**Holidays, they're such happy days  
This is my' .....(Chorus)  
.....such a happy, joyful, time  
It's my favorite, my favorite time of year!**
