His hands touched lepers' broken bodies,
And my heart in the end**

He mends each cut and bruise

That's what His nail-scarred hands can do... *(end low)*

His hands were gripped in mortal fear
His hands were pointing to the Father
When death was drawing near**

He holds our dreams
He bears our burdens
He feels our pain...feels our pain....**

His hands will carry you until the day when
His hands will lead you to the Father
His work in you fulfilled fulfilled!**
