

Like You

Patricia W. Felker

Guide my heart into your will
To follow you more freely
Keep my desires in tune with You,
Till my thoughts obey You completely

Give me joy (give me joy)
Give me peace (give me peace)
Give me love that's pure and true

Give me faith (give me faith)
Give me hope (give me hope)
Give me patience learned from You

Spirit of Light
Spirit of Life
Let me be like You

Guide my lips into your will
With wisdom beyond measure
With gentle kindness, loving truth,
Then my speech will be for Your pleasure

Give me joy (give me joy)
Give me peace (give me peace)
Give me love that's pure and true

Give me faith (give me faith)
Give me hope (give me hope)
Give me patience learned from You

Spirit of Light
Spirit of Life
Let me be like You

Guide my life into Your will
To live in holy reverence
Direct my steps with purpose, Lord,
Won't You honor me with Your presence?

Give me joy (give me joy)
Give me peace (give me peace)
Give me love that's pure and true

Give me faith (give me faith)
Give me hope (give me hope)
Give me patience learned from You

Spirit of Light
Spirit of Life
Let me be like You
